ABOUT ME

I'm a 3rd year student in Mathematics at Autonomous University of Barcelona. My main interests range from analysis, differential equations and numerical analysis (on the branch of Mathematics) to quantum and theoretical physics (on the branch of Physics).

EXPERIENCE

Private teacher

09 2018 - 06 2021

Badalona, Spain

Private teacher of Physics, Mathematics and Chemistry teaching secondary school and high school students.

EDUCATION

Bachelor in Mathematics | Autonomous University of Barcelona

09 2019 - Today

Cerdanyola, Spain

- Actual average mark: 9.18 out of 10

High school and University entrance exam | INS La Llauna

09 2017 - 06 2019

Badalona, Spain

- Modality: Scientific and technological studies
- Mark: 11.498 out of 14

HONORS AND AWARDS

Silver medal at XXX Spanish Physics Olympiad

Silver medal at the national phase of the Spanish Physics Olympiad, hosted by the Royal Spanish Society of Physics - Salamanca 2019

Honorable mention on Physics

Honorable mention on Physics awarded by INS La Llauna for the good performance on the Physics subject along the High school - June 2019

PROJECTS

Complete summaries on Physics and Mathematics | |

06 2020 - Today

This is a project that aims to summarize some brief notes on each subject in the Mathematics and Physics bachelors at UAB.
